The last couple of weeks went great! We have a lot of new faces at Riverside. On September 7th, we will be celebrating Grandparents Day. If a Grandparent would like to come eat with a student please let the kitchen know a couple of days ahead of time, the cost is \$3.70 for adults. We provide skim chocolate, and 1% white for each meal. The cafeteria also serves many fresh fruits and veggies for lunch. USDA is an equal opportunity employer and provider. Menus are subject to change based on availability of food items.
